Daily email from class teacher to inform about the day.

KS2 Gives a clear overview of what students have done Helps to give parents an idea of what mood child will be in when they return home Parents rely on the daily email, often it arrives before the child gets home.

KS2 A standard format:-

Overview of lessons throughout the day What went right and what went wrong for the child How the class have been generally has anything occurred that could impact on how the child feels. Year 7 and 8 Emails can be quite generic. Can the

Half Termly Newsletter

KS2 Half termly is regular enough.

KS2 Lots of information.

year group. Does help give ideas of what can happen further up the school.

Year 10 Very positive and uplifting

Can dates for upcoming events be added?
Can a facebook reminder for trips be sent to parents?
Consider SWAY interactive newsletter programme

İ . . . .

Is there a way of sharing personal photos of the students with parents
